RISK TO INVESTORS

For details refer to section titled "Risk Factors" on page 56 of the RHP

1. Risk relating to losses and negative cash flows:

Our revenue growth did not outpace our expenses resulting in prior period losses for the six months ended September 30, 2024 and the Financial Years 2025, 2024 and 2023. Further we have reported negative cash flows in the past. We expect our expenses to increase over time as we continue to grow our operations and invest in expanding our technological capabilities and presence. Any inability to improve operating leverage could result in the recurrence of losses which may adversely affect our business.

Particulars	For the six months ended September 30,		Financial Year			
	2025	2024	2025	2024	2023	
	(₹ in million)					
Restated profit/(loss) for the period/year	64.70	(660.08)	(687.14)	(2,450.01)	(3,212.68)	
Net cash flows (used in)/generated from operating activities	(2,005.95)	(862.12)	335.74	(1,829.90)	(2,452.36)

Net cash flows (used in)/generated from financing activities	(382.54)	(45.04)	(86.97)	(78.85)	5,378.98	

2. Risk Relating to Objects of the Offer and its utilization:

Our utilization of the Net Proceeds for expenses towards technology and cloud infrastructure will not result in the creation of any tangible or intangible assets and will be recorded as expenses in our statement of profit and loss. Moreover, our funding requirements and proposed deployment of Net Proceeds of the Offer are based on management estimates and have not been independently appraised by a bank or a financial institution and if there are any delays or cost overruns, our results of operations may be adversely affected.

3. The Offer also consists of an offer for sale of up to 26,942,343 Equity Shares of face value ₹5 each (approximately 54.38% of the Total Offer Size at upper end of the Price Band), the proceeds of which will not be available to the Company.

4. Geographical Concentration Risk:

Our revenue from operations is concentrated in the America region and Europe (including the United Kingdom). The concentration of customers in the said regions exposes us to adverse economic or political circumstances including on account of any on-going economic slowdown and inflationary trends in such economies. We do not actively hedge our exposure to foreign currency, which exposes us to foreign currency risk. Any change in the regulatory framework, government policies and regulations, including employment laws, immigration laws, privacy and data protection laws, political unrest, disruption, disturbance, or sustained downturn in such economies could adversely affect our business.

% of revenue from operations	For the six months ended September 30, 2025		FY25	FY24	FY23

*Others include Asia Pacific, Middle East and India

5. Acquisition of shares at a price that may be lower than the Offer Price.

Vinculum Advisors LLP, a member of our Promoter Group, has acquired Equity Shares from certain Shareholders during the preceding year at a price of ₹25.00 per equity share pursuant to share purchase agreement dated July 21, 2025.

6. Dependence on Third-Party Cloud infrastructure:

For cloud infrastructure, we are dependent on two cloud service providers and if we are unable to renew our agreements with these cloud services providers on acceptable terms, we may be required to transfer our infrastructure to new cloud infrastructure providers, and may incur additional costs and possible service interruptions. Given the high level of industry concentration among hyperscale cloud providers and recent developments in pricing models and regional-resilience expectations, we may also face higher unit costs or the need to negotiate revised commercial terms which could increase our operating expenses. Our technology and cloud infrastructure costs are as follows:

If we fail to attract and retain highly skilled engineering personnel, we may not have the necessary resources to properly staff our business divisions. High attrition rates of qualified personnel may cause us to incur greater personnel expenses and training costs. Moreover, if such personnel join a competitor, there could also be unauthorized disclosure or use of our technical knowledge, practices or procedures by such personnel.

Notice to Investors: Corrigendum to the RHP dated January 7, 2026

In the section "Outstanding Litigation and Other Material Developments - Tax claims - Material tax matters" on page 420 of the RHP, please read the serial number 2 as below:
Our Company received a notice dated September 25, 2024, under Section 142(1) of the Income Tax Act, 1961 from the Assessment Unit, Income Tax Department, Delhi (the "Authority") requesting for certain information in relation to the international transactions of our Company in assessment year 2022-23 ("Notice"). Our Company responded to the Notice on October 9, 2024 and December 13, 2024, submitting the requisite documents to the Authority. Thereafter, another notice dated November 2, 2024 was issued to our Company from the Deputy Commissioner of Income Tax under Section 92CA(2) and 92D(3) of the Income Tax Act, 1961 intimating the initiation of assessment proceedings in relation to the aforementioned transactions. The assessment was subsequently referred to the Transfer Pricing Office, Bangalore (the "TPO") in order to ascertain whether the international transactions of our Company are in compliance with the normative arm's length principles. The TPO issued a show cause notice dated December 21, 2024 to our Company seeking certain clarification regarding the computation of our Company's income. Our Company responded to the notice on December 30, 2024 and January 03, 2025. Separately, a notice dated January 20, 2025 was issued by the Authority to our Company under Section 142(1) of the Income Tax Act, 1961 requesting certain documents. On the basis of its assessment, the TPO under Section 92CA(3) issued a draft assessment order on January 23, 2025 claiming a transfer pricing adjustment of ₹ 281.58 million in order to arrive at an arm's length price of the international transactions of our Company. Our Company has responded to the above-mentioned notice by providing the required documents. Our Company has submitted the requisitioned data on February 3, 2025. Further, a show cause notice dated March 7, 2025, was issued by Assessment Unit questioning the proposed variation to be made. Our Company has responded to the above mentioned show cause notice on March 12, 2025. Subsequently, the assessment unit issued a draft assessment order under section 144 (C)(1) of the Income Tax Act, 1961 on March 21, 2025, to which our Company filed an application before the Dispute Resolution Panel on April 15, 2025 ("Application"). In the Application, our Company, inter alia, contended that the TPO erred in its economic analysis for determining the arm's length price of the international transactions of our Company, and that the TPO erred by not accepting the transfer pricing document which was produced by our Company. On July 30, 2025, our Company has submitted additional documents to the Dispute Resolution Panel. The Dispute Resolution Panel has passed an order dismissing the Application since the assessment proceedings are not at an advanced stage. The matter is currently pending.
